SUNRISE DRIVE

SPONSORSHIP INFORMATION

Spiders & Cider is Sunrise Drive FFO's largest community event. This event attracts over 800 people. Each year, the attendance grows and we continue to make it a fun and memorable event for our families. We are offering the opportunity for companies to advertise at our most popular activities at the event. If your family owns a business and would like to advertise at this family favorite spooky event - you would be helping fund all the event activities that the FFO offers throughout the year for our Sunrise Drive community. Please fill out the sponsorship form (QR Code above) and call or text Alissa McKaig (334)447-9828 directly to secure your advertising location - first come first serve. Sunrise Elementary School Family Faculty Organization is a non-profit 501 (c)(3) organization. All donations are tax deductible to the extent permitted by law.
